Want to improve your reading, writing and maths skills?

SEE helps you build the skills you need to reach your career goals, find a job or do more study by:

- improving your reading and writing skills
- improving your maths skills
- improving your basic computer skills.

Do you want to:

- improve the skills you already have?
- build a better pathway to a good job?
- go further in your current job?
- be more confident to do further study?

SEE will help with all these goals as well as everyday tasks, like filling in forms and reading to your child.

Quick facts about SEE:

- SEE is free!
- training is based on your future goals
- you can begin at your own level and learn at your own pace
- you can study full-time or part-time, up to 25 hours a week
- you can learn in a classroom, at home or in your workplace
- you can still care for your family or continue to look for work if you are looking for a job
- you may be able to do work experience.

Is SEE right for me?
